“Governors Update

Many thanks to those of you who engaged in the consultation process around our proposal that St John's School becomes part of the Pope Francis MAC.

We received 5 responses from parents of 4 families in the school, of these 4 were not supportive of joining the MAC. In addition, 2 members of staff responded in writing expressing some concerns. Other members of staff expressed verbal support through the consultation process, feeling that they had had their questions and concerns answered.

As a result of the consultation process the Governors have decided to proceed with the proposal to join the Pope Francis MAC.

We want to reassure all parents that we aim to honour the culture, team and independence of our-school throughout this changing process. We will keep staff and parents up to date throughout the process.

Thank you again to those who engaged in the consultation and we wish all staff, parents and pupils a wonderful relaxing summer.

St John's Governing Board”
