New beginnings

English

- Traditional tales: Jack and the beanstalk
- Stories from another culture
- Labels: link to Science (labelling human body, plants, animals)
- Instruction writing: Planting seeds and growing plants (beans)-
- SPAG/Phonics

Science

Year 1 Animals including humans (focus on local habitats, taking care of animals in these habitats)

- identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals
- identify and name a variety of common animals that are carnivores, herbivores and omnivores
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets)
- Year 2 Plants (use local environment to look at how plants grow, how plants grow/plant life cycle)
- observe and describe how seeds and bulbs grow into mature plants
- find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.
- Thinking scientifically: observe and record growth of plants, set up comparative test

KS1 Growing Things

Autumn 1 2017

D&T / Art

Moving Pictures (linked to Jack and the Beanstalk)

P.E.

- **Gymnastics /movement**
- **Key Skills**

Science

Growing things

Computing

- Basic computer skills
- Manipulating images
- Multimedia applications

Religious Education

1A - Creation

2A - Old Testament stories

Music

Games, actions, songs and rhymes linked to science year 1 unit
Use voices expressively and creatively singing songs and speaking chants and rhymes.
