Jesus, light of the world,  
lead us to be tolerant and understanding  
of others,  
looking for what unites people  
rather than what might divide and  
separate. Inspire us always  
to discover the best in one another  
and work together to build up your  
kingdom in our world today.  
Amen.

### Message from the Headteacher

Welcome back to yet another busy term at St John's.  
We have lots of activities and events planned in the  
run up to Christmas so please keep an eye on dates  
for your diaries.

On Friday we attended the Feast of All Saints Mass  
and celebrated the Christian Saints. Our thoughts also  
turned to those whom we have loved who are no  
longer with us.

A reminder that the Operation Christmas Child boxes  
need to be returned to school by Wednesday 8<sup>th</sup>  
November. The boxes will be collected by local  
representatives of the charity and taken to their  
depot in Evesham ready to be transported to places  
such as Romania and Armenia. The shoeboxes will be  
given to vulnerable children through schools,  
nurseries, hospitals and orphanages.

To commemorate Armistice Day and Remembrance  
Sunday we are selling British Legion poppies in school  
throughout next week.

A big thank you to the Early Year parents who came  
and watched the children's singing session last term.  
The children really enjoyed showing you their hard  
work.

I hope you all have a fun and safe bonfire night.

In school we focus on a different virtue each term from the Jesuit Profile. The Jesuit Pupil Profile uses eight pairs of virtues that sum up what a pupil in a Jesuit school is growing to be.

The Virtues we will be focusing on this term are learned and wise.

Learned, finding God in all things; and wise in the ways they use their learning for the common good.

By the breadth and depth of the curriculum; by excellence of teaching, and the creation of opportunities to become more learned and wise.

To be educated is to be learned – to know about God's creation and about people who are part of it. But facts and skills are of little value unless we have wisdom also – the ability to see what is important and what is not.
